Ricardo Franco

Software Engineer

✉ ricardosf195@gmail.com ☎ +351 960 047 479 📍 Portugal, Leiria

Profile

I am a driven and dedicated computer science and engineering student with a passion for software development. My education has provided me with a strong foundation in computer science, and I have honed my skills through hands-on experience as a software developer at EK-Access.
I have a strong interest in technology and am always looking for ways to improve and expand my skills.

Education

Bachelor's degree, Computer Science and Engineering   Oct 2020 - Jul 2023
Polytechnic of Leiria, Leiria

High School, Scientific and Technological Informatics   Sep 2017 - Jun 2020
Colégio de São Miguel, Fátima

Employment

Software Developer (Internship)   Oct 2019 - Jun 2020
EK-Access, Leiria
During my experience I developed tools to facilitate the processing and automation of invoices and receipts using RPA and helped improving IoT solutions already in use.

Extracurricular activities

Software Engineer   Oct 2022 - Present
Formula Student - FSIP, Leiria
